EXPERIENCE

Aramco — **Houston, Texas**
Public Affairs - Events & Branding Intern — May 2026 - August 2026

- Created an internal Public Affairs project management task board in Excel using AI tools, saving $19,800 in enterprise software costs
- Drafted 12 exhibiting contracts and corporate sponsorship reports for executive review, saving 40+ hours of leadership oversight while advancing Aramco's global public affairs and media relations
- Executed the setup, hosting, breakdown, and promotion of FIFA Fan Festivals and Press Conferences for the 500,000+ people traveling to Houston for the World Cup resulting in over 1.2 million brand touchpoints

Whirlpool Corporation — **Benton Harbor, Michigan**
BUILD Emerging Leaders Extern — July 2026

- Explored Whirlpool Corporation's brands during an exclusive tour at World of Whirlpool Studios, gaining insights into the brand's history, core values, and consumer-centric innovations
- Completed an immersive tour at a top Research and Development (R&D) facility, gaining deep knowledge of target consumer requirements
- Strengthened expertise in public speaking, personal branding, and leadership through 4 targeted professional development sessions

Higher Up Texas — **Dickinson, Texas**
Stewardship Intern — July 2025 - November 2025

- Partnered with board members and stakeholders on a strategic planning committee, guiding Higher Up Texas' long-term direction by developing strategic plans, utilizing business analytics, setting goals, and conducting analyses to inform decision-making
- Conducted calls to donors using Bloomberg (CRM Software) to provide updates on future initiatives and contribution allocation
- Collaborated with a 6-member branding committee on retention and engagement strategy of Higher Up Texas' donor relations to improve overall finances, revenue diversification, and brand standing through stewardship and direct marketing

College of the Mainland TRiO Upward Bound — **Texas City, Texas**
Marketing Intern & Mentor — October 2023 - July 2025

- Developed and maintained a team database in Microsoft Excel to monitor student demographics, cohort statistics, and class schedules for 70 students, resulting in an overall improvement in data retention and organization
- Led marketing campaigns for 4 high schools in district, promoting program awareness and reach, resulting in a 15% increase in student recruitment
- Started a weekly workshop focusing on college applications, resume building, scholarship research, networking, document organization, and essay writing, reaching 60% of senior students

ACADEMIC PROJECTS

The Executive Leadership Council - Business Case Proposal — January 2026 - April 2026
The US Soccer Women's National Team Equal Pay Battle

- Created a case study on public affairs, team management, leadership, behavior tactics, and ethics given only the prompt "Rebuild trust after a public misstep. Include messaging and internal changes"
- Presented research to the ELC and received a $10,000 scholarship, among 10,000+ applicants, for demonstrating executive business insights

University of Houston x Phillips 66 Global Case Competition - 2nd Place — October 2025 - November 2025
Okepas Tariff Shock Project

- Conducted research on emerging technologies and marketing of products and services for sneaker companies
- Presented findings to Bauer and Phillips 66 staff and received recognition as 2nd Place out of 20 teams
